Dear Friends of Wiseburg Cemetery:

Greetings to you from the Trustees of the Wiseburg Cemetery.

We are thankful for the donations we have received over this past year totaling \$6600. Our normal operating expenses were completely covered.

Last summer the cemetery partnered with Wiseburg United Methodist Church to have a picnic pavilion built in memory of Ken Spicer and Dale Wood. The picnic pavilion was built to honor Ken and Dale for their countless hours spent taking care of the cemetery and church grounds.

**A dedication service of the community picnic pavilion will be held in the pavilion on Sunday, May 27, 2018 at 2 p.m.** A picnic meal will follow. Everyone is invited to attend. Fried chicken, beverages, cake and paper goods will be provided. Attendees are asked to bring a food item to share. Please RSVP to Glen Baer 410-357-5735 or at gbaer649061@comcast.net. In the event of inclement weather the service and picnic will be held in the fellowship hall.

We need each lot holder and those interested in the cemetery to continue to contribute to the support of the ongoing maintenance of the cemetery. An envelope is enclosed for your convenience. The trustees need your financial support to maintain the grounds. As always, we are extremely grateful and proud of the outstanding care which the cemetery receives from our caretakers, the Wood family.

The trustees remind those of you who are leaving funds to the cemetery through your Will to be sure to specify the Wiseburg Cemetery. Be sure to clearly specify the **cemetery if that is your desire**. Thank you to all the families who have left memorial donations to the cemetery fund.

For those who wish to have memorials sent to the cemetery they should be sent to the **Treasurer of the Wiseburg Cemetery** rather than the church. Please use the return address shown on the envelope.

Yours sincerely,

The Trustees of the Wiseburg Cemetery
